Telephone Charades

• The first person in each row will receive a 1 word phrase
  • Could be a compound or hyphenated word
• They will have to act the phrase out to the person next to them and then that person will act it out to the person next to them, etc etc
• The last person will guess what the original phrase was
• The row that is the closest to the actual phrase will get a prize
Big-Little

national dessert month
national seafood month
THANK YOU GUYS!!

Special shout out to all the SWEsters who came to Spa Night!

The first SWE Spa Night was a success thanks to you guys. If you want the recipes for your own DIY spa treats, will be coming out in next newsletter 😊

There will be a spring Spa Night for all who missed it or for those who want to come again!
Social Skating
Come join your SWEsters to eat and skate!

- **When:** TOMORROW!! 8:00 pm – 9:30 pm (food at 7!)
- **Where:** OSU’s rink (390 Woody Hayes Dr.)
- All skill levels, anyone can come 😊 $5 entry and $3 rentals
- Sign up in the newsletter ASAP if interested!!
- Email will be sent out with dinner prior to event
- Contact miles.240 for any questions!
Other Upcoming Social Events

• Woody’s Social
  – Pizza, wings, and nachos at the union!
  – You guys know the drill
  – November 1st! Look for the newsletter sign up

• Zoo Lights
  – Look out for an interest form we need to find out what dates work with drivers 😊

• Everyone’s favorite: Craft Night!
  – Pairing with Big Little
  – Keep an eye out for it
Dang Lena! Back at it again with Wonder Wednesday facts!

WTF fun fact #6562
The first call ever made on a cell phone, was from an engineer named Martin Cooper calling a rival engineer to brag about his accomplishment.
Dine with a Doc - Nov 2

- Eat food and discuss with faculty member about grad school / research / experiences
- Last month everyone found the event beneficial.
  - But we want more people to come!
  - Great event for anyone in grad school OR interested in grad school
- This month: Dr. Karen Mancl
  - Professor of Food, Agricultural and Biological Engineering
  - Has written almost 100 technical research articles
  - Directs the Ohio State University Soil, Environmental, and Technology Learning Lab.
  - One of the first female full professors in agricultural engineering in the U.S.
Famous Woman in STEM - Linda Clements

- PhD from Stanford in Materials Science and Engineering
- CEO of Nevada Composites, Inc
- Co-founder of C&C Innovation Strategies
- Director of Materials R&D at 2Phase Technologies
- Officer and fellow of the Society for the Advancement of Materials and Process Engineering
2016-2017 Buckeyethon
Dance Marathon

WHEN: February 11\textsuperscript{th}, 2017

WHAT: 24 hour dance marathon broken up into two shifts. Our team will raise money for the children of the Nationwide Children’s Hospital!

Join the SWiEsters!!

If interested in joining SWiEsters team please fill out the google form in the newsletter or contact whalen.161@osu.edu!
SWE SWAG DAY

What?
We’d love for you to represent SWE all over campus so wear your new swag or your old swag to promote SWE!

When?
Monday, OCTOBER 24th, 2016

Who?
ANYONE who is a part of SWE or supports SWE!
SWE Swag Pick Up

Know of a friend who ordered swag but is not here tonight?

Lena will be in the office [Hitchcock 131] on Thursday morning for swag pick up!
Other Ways to Connect

Want to be added to the SWE GroupMe? – contact Jasmine Johnson.5988

Follow SWE on social media!

Wonder Wednesday Fact 3:
A girl who had half of her brain removed at age 8 grew up to earn a Master’s degree and become a speech pathologist.
Officer Shadowing

Want to get some exposure to life as an officer? There are still a few positions left! Professional Development and Recruitment

HOW?
• Fill out the google form in meeting follow up email

WHY?
• You’ll get to know all officers better
• Great Experience before running for officer position
• Exposure to future leadership opportunities
• More likely to be chosen to attend regional conference

Here is a quick example of what one shadower was able to do already this semester!
Office Hours

Will be Mondays starting in November
Time: 9 or 10 AM until 4 PM
Lights will be on around our door if someone is there!

Popular topics we will be helping with:
- Physics
- Lab reports
- Math
- Chemistry
CONFERENCEx
